**COLLECTION:** Caracole Signature

**DIMENSIONS:** 25W x 28D x 36.5H

The perfect balance of straight lines and curves, this fully upholstered dining chair infuses interiors with a sense of effortless elegance and comfort. Aptly dressed in a tactile, silk-like fabric, its rounded back and cantilevered seat appear to float between two gently arcing side arms. A Brushed Stainless-painted base lends a distinctive finishing touch and adds to its floating appearance.

### FINISH:

Brushed-Stainless-  
Paint

### FABRIC:

2853-34CC
