## THE DRINK TABLE

sig-416-422

**COLLECTION:** Signature Debut

**DIMENSIONS:** 10 dia x 22H

This petite crystal table is all the more beautiful with its artfully cut edges that sparkle in the light. Just the right size for a drink or an orchid, this piece adds panache to the most elegant traditional or contemporary environment. Also, this little gem is an excellent addition to layer with The Sophisticated Side Table.
