sig-416-531

COLLECTION: Signature Debut

DIMENSIONS: 52.5W x 20.5D x 86H

The Aficionado Cabinet makes the same elegant statement that a fine Steinway piano lends to your home. This entertainment/bar cabinet's linear lines and rectangular shape are brought to life in a glossy Piano Black that is trimmed in Majestic Gold. The piece is suspended off the floor on square tapered legs with slender horseshoe-curved gold stretchers. Open the large cabinet doors with brilliant gold quilted knobs to discover the interior cabinet is radiant in Gold Bullion Leaf. Lit with LEDs, you can project your television from behind a two-way mirror. The three glass shelves are perfect for storing crystal barware. A gold mirrored tray slides out to create a reflective drink-making surface. There are four drawers, each of which hold wine

trays for easy access to your finest Chateauneuf du Pape. This piece is as stunning open as closed, so you can show it off to your guests.
