THE FLOW COCKTAIL TABLE

sig-418-407

COLLECTION: Signature Urban

DIMENSIONS: 48.25W x 26.5D x 14.25H

Looking for a distinctive cocktail table to add a warm yet modern focal point? Look no further, the Flow Cocktail table's curvy, oblong shape and modern mix of materials promises to create a striking centerpiece while adding interesting layers of texture. We particularly love the contrast between the softness of the Urban Brass, the linear woodgrain of the Ebony Macassar and the sleekness of Urban Black lacquer. Urban brass forms the table's base and creates a layer of interest between the wood veneer and black lacquer. The table's surface is rendered in a reflective bronze glass that is artfully rimmed in Urban Brass—creating a rich, lustrous look. For an interesting juxtaposition of shapes, consider pairing the oblong-shaped Flow Cocktail table with the circular-shaped Anonymous Cocktail table.
