THE YVES NIGHTSTAND

sig-419-062

COLLECTION: Signature Promethean

DIMENSIONS: 30.5W x 17.75D x 28H

The perfect nightstand to bring the Parisian art de vivre to the bedroom suite. This fashion-forward piece is a study in chic design details. Rendered in black lacquer, the case is framed with a silver leaf detail and black and white striping delineates the top and base. A golden bead frames the top while an inset brass detail along the piece's curving base kisses this elegant nightstand with signature style. Resting atop shapely gold feet, this stunning nightstand has one drawer and an open cavity for books and decorative display.
