THE MODERNISTE COCKTAIL TABLE

sig-419-401

COLLECTION: Signature Promethean

DIMENSIONS: 59W x 29.5D x 17.75H

You'll love serving cocktails from the surface of this avant-garde inspired cocktail table! The intricate inlaid pattern on this stylish cocktail table's surface reminds us of the architectural drawings of the formal gardens at Palais Versailles. An architectural brass base supports a chic lacquer top that is intricately inlaid with an insignia in gold and silver metal.
