LA PETITE COQUETTE SIDE TABLE

sig-419-429

COLLECTION: Signature Promethean

DIMENSIONS: 14W x 14D x 25H

We playfully named this petit table 'the little flirt' after its feminine details and flirty silhouette. Inspired by a vintage side table discovered in a chic Parisian boutique hotel, our Petit Cocquette table offers pretty details. Its shapely, curving legs are fashioned in acrylic and dressed with a pretty scrolling foot in a gold metal. The table is topped with a black marble.
