## ALL CLEAR

**COLLECTION:** CARACOLE CLASSIC

**DIMENSIONS:** 18 dia x 23.75H

This little table would be at home anywhere you place it. Crafted of clear acrylic, the thickly poured top registers a contemporary vibe, balanced by the slightly traditional form of the sculpted base. Updating classics is what we do best. Beyond the obvious use as a chair's side table, you might consider a pair placed at each end of a mid-sized sofa, in lieu of a cocktail table. You'll be clearly chic, regardless where it goes.
