MR. K'S KEY

tra-closto-042

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 54W x 19D x 38.25H

On the design team, our jobs are made more fun by the people we have the privilege to work with. Mr. K, a favorite Caracole client from Greece, is one such person. He's an international architect as well as an interior designer, and he holds the key to our hearts! Glimmer, with flecks of gold suspended in a translucent finish, is used on this special demilune storage case to create the generously scaled Greek key pattern. Place it in a foyer to create a stunning first impression, or position a pair in the living or dining room to add drama. Offering four large drawers and two touch latch side doors, you'll have more than enough closed storage to house your entertaining accoutrements.

CONSTRUCTION: Adjustable shelves: 7""W x 12.5""D.
