uph-018-111-a

**COLLECTION:** CARACOLE UPHOLSTERY

**DIMENSIONS:** 92W x 45.5D x 36.25H

Curvy in all the right places, there's no doubt this sofa is a charmer. Its rounded silhouette is pleasing to the eye and features deep stitched diamond tufting accented with opalescent glass beads that sparkle against its linen-like neutral fabric with just a touch of sheen. At the front of each arm, you'll find a beautiful Champagne Gold metal cuff that adds an extra touch of glamour like a woman's bangle bracelet. The curvaceous wood frame is finished in Champagne Reflections, which adds a designer detail and a touch of sparkle and complements the sofa's jeweled back. This divine sofa features a harmonious palette of cream, champagne, bronze and dusty plum, and offers a textural mix of velvets, sateens, and an Art Deco-inspired graphic pattern.
