TUFT GUY

COLLECTION: CARACOLE UPHOLSTERY

DIMENSIONS: 44W x 35.75D x 28.75H

The impressive Tuft Guy chair re-imagines the beauty of a classic chesterfield with a contemporary silhouette and sleekly rounded arms and back. Upholstered in a plush, luxurious gray fabric that demands to be touched, it features deep tufting that ensures beauty and comfort. The Chesterfield style dates back as far as the Fourth Earl of Chesterfield (1694-1773) and has seen numerous revisions and adaptations over time. The rounded corners and buttonless deep tufts in Tuft Guy are our own reimagining of a familiar design staple. Rounded feet finished in Driftwood complete its updated appearance.
