**COLLECTION:** CARACOLE UPHOLSTERY

**DIMENSIONS:** 18.75W x 20.25D x 30H

Alluring from any view, this small scale swivel chair makes a chic statement in a creamy tactile fabric. A clear acrylic panel creates the illusion that its curved back is floating above a softly rounded seat. Welt trim and nickel metal accents add a delicate finishing touch. Just the right size for a vanity desk, or compact workspace, it adds an intriguing design in a versatile, neutral hue.

**CONSTRUCTION:** 8-way hand tied seat. | Plush poly foam cushion.
