COLLECTION: CARACOLE UPHOLSTERY

DIMENSIONS: 28W x 37.25D x 29.75H

Details we covet: an exposed wood frame in a French Roast finish, paired with the soft sheen of a lagoon-colored velvet. Woven jute ties the look together, adding an of-the-earth element and a sense of rhythm. Inspired by a mid-century modern design, this occasional chair lends a contemporary style with a casually refined vibe.
