COLLECTION: CARACOLE UPHOLSTERY

DIMENSIONS: 29W x 35D x 35H

The spirit of Mid-Century furniture design masters Milo Baughman, LeCorbusier, Marcel Breuer and Jens Resin returns in the architectural form of our metal framed chair. The Gold Bullion metal tone - a post-modern take on the returning popularity of brass - adorns the box metal frame. Fashion-forward quilted leather in a deep slate hue is applied on the chair seat and back.

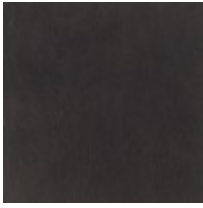

CONSTRUCTION: Spring down cushion.
